

## Notice of Termination of Health Reimbursement Arrangement (HRA) Account

Please be advised that your HealthEquity HRA account, into which Wellness Program incentives were deposited while you were enrolled in one of the Archdiocese of Boston Health Plans, will not be available for any expenses you incur after the last day of your Health Plan coverage. In addition, your HealthEquity Visa credit card will be deactivated the day after your coverage ends.

Note that if you had claims through the last day of your coverage for which you received a bill after your last day of coverage, you may submit a request to have HealthEquity pay the provider up to 90 days following your last day of coverage. Alternatively, you may pay out-of-pocket for eligible expenses incurred through your last day of coverage and then receive a reimbursement through HealthEquity up to 90 days following your last day of coverage.

If you enroll in the Archdiocese of Boston's Continuation of Coverage (COC) Health Plan (Enhanced or Basic Plan), your HRA account will remain active through the last day of your COC coverage, as outlined above for active employee coverage. If you enroll in the High Deductible Health Plan, you will no longer have access to your HRA account.

Please log in to [myhealthequity.com](https://myhealthequity.com) or call Health Equity at (866) 346-5800 with questions about how to submit a claim for payment or reimbursement.

For questions regarding the content of this Notice, please contact the Archdiocese of Boston Benefits Office at [benefits@rcab.org](mailto:benefits@rcab.org) or (617) 746-5640.
